

Viva Las Vegas

Land, Air and Water Journey

This memorable and exciting adventure will take you across the incredible Hoover Dam to a panoramic view of Lake Mead. Travel through breathtaking and colorful Black Canyon, view the ever-changing seared terrain of the Mohave Desert and experience one of the World's Oldest Joshua Tree Forests.

Travel along the base of Diamond Bar road, the gateway to true Indian Country. Enjoy the scenic beauty of winding roads as the Grand Canyon unfolds before your eyes!

This is the Grand Canyon West, one of our last frontiers! There are no crowds and no guard rails. Just stunning views as far as the eye can see. Once at the West Rim, you will then embark on an exciting Jet-Helicopter ride that will descend 4,000-Feet to the Canyon floor. After you land, you will continue your journey with a boat cruise on the mighty Colorado River. On your return to Las Vegas you will also enjoy a brief visit to Hoover Dam.
